

The S. F. mail reached this city yesterday for the first time in 18 days. Of course everyone was delighted, but if the V. & T. management had sent men over the road on snow shoes the mail could have been landed here every day. It was due to the business community to have done this. In British Columbia the snow is deeper than any snow Nevada saw, for three months in the year, and the mails carried hundreds of miles on snow shoes.

A curious custom prevails in Mexico, namely, a custom house charge (Government Revenue) of \$100 for each adult corpse transported to another country for burial, and \$50 for a child. A woman on one of the trains had a sick baby, which died 50 miles inside the line. She bunched it up, suppressed her grief and carried it in her arms till she was landed in the United States. She tearfully remarked that she did not propose to pay \$50 for her baby.

ALL SORTS.

Board of Commissioners met yesterday.

Sam Wright is very much improved.

Operations on the approaches to the Government building began yesterday.

Secretary of the Navy's wife and daughter with a French maid were burned to death in Washington yesterday.

Five prisoners came up from Washoe County yesterday in company with two others from Elko, and were landed in the Pen for selling whiskey to Indians.

While Will Wright is still with Peterson, at the gallery over Thaxter's, special attention will be paid to enlarging of portraits. Mr. Peterson has done some very fine work in this line, which can be seen at the gallery. The public is invited to call and inspect same. j2

The Boyd brothers have offered the finest meats obtainable to their customers and as they raise their own beef, veal, mutton and pork, they can not only select the most choice meats but can place it at a very low rate. The boys are well known throughout this section and will endeavor to please their customers. j29tf

GRISMER-DAVIES.—At the Carson Opera House, next Friday evening Jos. R. Grismer and Phoebe Davies will appear in "The Tigris." It is wholly unnecessary to speak extensively of these well-known artists they are great favorites here and have never failed of appreciation and liberal patronage. They are supported by the same troupe that appeared with them in their recent very successful season in San Francisco. In the troupe are Sara Stevens, one of the best stock actresses in elderly parts on the stage; Isabella Archer, Lina Hope, Harry Davenport, brother of Fanny Davenport, the distinguished actress, little Laura Crews, a precocious child. The company is considered strong throughout. It has had the very cordial indorsement of the entire San Francisco press. Reserved seats now on sale at Tobriner's.

THE WIND.—The wind of yesterday morning was the most severe ever known here. It did considerable damage to property. Steve Corcoran was the heaviest sufferer. His barn was blown down and several valuable cows killed.

Cough! and Cough! and Cough!!
